

Pre- WPA Congress Course

**“Psychopharmacology for Addiction Psychiatry:
Recommendations, clinical guidelines and case scenarios”**

Stockholm, Sweden, 23rd September 2026, organized by Addiction Psychiatry Section of WPA

Session date: 23 September, 2026

Session title: Pre-congress Course: Psychopharmacology for Addiction Psychiatry

Abstract: This is a course designed for psychiatrists and other prescribers in mental health to optimize their medication prescriptions in the context of substance/behavioral use disorders and their comorbidities based on the latest guidelines and recommendations. We will discuss both new medications/protocols and traditional algorithms through case scenarios and subsequent discussions.

Course Co-Chairs: Alexander Baldacchino, WPA APS Chair and Hamed Ekhtiari, WPA APS Co-chair.

Course Agenda:
